FOR A BETTER BRISBANE

DID YOU KNOW?

The business and professional men of Brisbane have formed an organization tentatively known as the "BRISBANE MEN'S CLUB."

The first meeting drew some thirty interested men-about--town and attendance at subsequent meetings bears out the fact that "us folks" are behind Brisbane 100%.

Committees are now working on the creation of a police district, a satisfactory main highway into the town proper and improving San Bruno Ave. through to Bayshore Highway. Splendid results have so far been shown as a direct result of efforts by the various committeemen.

We who live in Brisbane appreciate this public service and I know of no better way to express said appreciation than to patronize our local merchants whenever possible.

Some of us have neglected to assume our fair share of the expense of policing the erea. Fred Mullen, the local officer states that he has been using personal funds to stay with us because only a few besides the merchants have responded. You may leave your contribution with any Brisbane merchant who will turn the funds over to Mr. Mullen.

WE NEED POLICE PRO TECTION.

INTERNAL REVENUE

Facilities will be arranged at the Post Office on February 18, 1948, between 9:00 A. M. and 4:00 P. M. so that the Internal Revenue Deputy, J. J. Profumo may assist the public in the preparation of their Federal Income Tax returns.

LOCAL SCOUTS A BUSY GROUP

Putting Outing in their Scouting, local troop 134 is really having fun. Every other Sunday they go swimming at the Cryystl Plunge. Once a month they go for an overnight trip, either to the Scout camp or Taylor State par. 15 scouts spent their summer vacation at Camp Moore. Ten helped at the Rotary International Convention as messengers. Recently the Scout Master and eleven scouts were guests at Seal's stadium. Fourteen scouts spent a weekend at Camp Lilienthal attending a Hallowe'en party and eight others paraded in the Navy Day program at Hunter's Point.

The Troop is very much interested in a drum and bugle corps. Several of the boys have their drums and bugles but are sorely lacking an instructor. The Scout Committee would like to hear from anyone who is qualified in teaching the playing of these instruments. Please contact Wally Delbon or Jack Grabowsky, Scout Master.

Scout meetings are held every Wednesday evening at 7:30 in the Scout room at the School House. Visitors are cordially welcomed.

WELL BABY CLINIC

The next Well Baby Clinic days are scheduled for January 14 and January 28 The hours are from 9 A. M. to 11:30 A.M. his service is for all pre-school children who are not under a doctor's care. A doctor and nurse will be on hand to examine the children, and necessary shots will be given. This service is all free of charge, and wise parents will see that check ups are made on their youngsters health.

HOME TOWN FOLKS

The Woodards of 52 Solano attended Shrine Game.

The Ted Daglers spent Christmas in Chico with Mrs. D.'s filks, and New Year's Eve in a fog. (on the bay bridge, that is.)

Mrs. Joe DeMarco has just returned from a visit to Texas. She flew there, and spent a pleasant month visiting her family and friends.

Mrs. Schlee has gone to Payette,, Idaho to nurse her daughter; a mother of three children, is recovering from polio. Luckily none of the children were stricken.

Mr. and Mrs. Arthur Kennedy of 1100 Humboldt Rd. spent the New Year week-end visiting with friends at Fort Bragg; they returned Sunday. Art is Sec. Mgr. of the Brisbane Chamber of Commerce.

Mr. Felix Schwenderlauf of 95 El Dorado informs us that beginning Jan. 1, he was promoted to Asst. Superintendant in charge of Construction for the Newbridge Construction Co. Congratulations.

Mrs. Elva Yarborough of 465 Visitacion Ave. has leased the Wright Brisbane Cleaners, and will be glad to see all of her friends, whether on business or pleasure.

Mrs. Madge Brodel gave a pink and pink and blue shower for Mrs. N. Babkirk, Christmas week. There were 20 guests, and everyone had a wonderful time. A delicious luncheon of salad, sandwiches, coffee and cake was served, and clever favors given to the ladies.

It is noticed that though the Norman Brown family has moved to San Francisco we still see the two Norman Browns frequently. It is hard to shake old habits, and we are glad that they haven't foorgotten us. Norman Sr. is skipper of the Sea Scout Troop 134 of Brisbane.

Gil of the Brisbane Drug has só many gun and hunting enthusiasts talking of the great open spaces with him, that he really should organize a Rod and Gun Club. There are a number of men who would be interested in joining.

The Allan Adams (Mr. Adams is President of the Brisbane Chamber of Commerce) spent Christmas in Antioch with Mrs. Allan's sister. The family had a real old-fashioned "Christmas on the Farm."

Mr. and Mrs. T. Easdale have moved into their very modern new home at 450 Monterey St.

A daughter, Grace Suzanne, was born to Mrs. J. Fichera at Children's Hospital in San Francisco, December 12, 1947. The Ficheras live at 254 San Benito Rd. Mother and daughter are home and doing nicely although Jay isn't recovering as fast as he should. He lost 11 lbs.

TO THE CITIZENS OF BRISBANE:

Your Police District is assured from the response we have received from the supporting organizations as well as from a financial standpoint as the money has been raised to pay for the investigation and your district will be formed in the near future. However there will be no money available until December 1st 1948. A temporary committee has been appointed to collect money to maintain the present policeman in force until the district has been formed and your commissioners have been appointed by the Board of Supervisors according to law.

April 1st at which time a regular election will be held and your three commissioners will be elected. The temporary committee named are Lester E. Bybee, Charles Dixon and Louis Terry. This committee solicits the support of each and every family, business and professional man in the district, financially as well as morally. Arrangements will be made whereby you can pay your money to the merchant or store that you may visit and receive your receipt for the amount payable.

Your present policeman, Fred Mullen will still be maintained until such time as the police district is formed and the commissiners are appointed at which time they will take over. This letter is sent out for the purpose of asking the people of Brisbane to get behind and support the present committee and the policeman. The following organizations whos names are attached below give their wholehearted support to this movement that Fred Mullen may be maintained and receive such financial support as needed from the people of the district.

SENIOR SCOUTING

As soon as the holiday spirit has subsided and everything and everybody is down to normal, the Senior Scouting program in Brisbane will get under way for 1948.

The School Trustees has given permission to construct adequate locker space in the future Manual Training room of the School. This will be a great advantage as before equipment had no regular place to be stored. This results in damage that would be ill afforded.

The Sea Scout ship with Norman Brown as skipper and James Nationi as First Mate has great hopes of a successful year. A lifeboat has been purchased. As soon as it is painted it will bbe launched. Then seamanship that Sea Scouts have acquired can be put into practical use.

The Air Scout Squadron with Fred H. Schmidt a squadron leader has acquired a fine set of tools for the building of model planes. There are extensive plans for trips to the various airports close by for practical instruction.

The Senior Scout Committee for this is composed of Allan R. Adams, chairman; J. J. Fishera secretary - treasurer; E. Dagler, L. H. Terry, Wm. Rook, Wally Delborn and David Fogleman.

NEWCOMER TO BRISBANE DIES

Mrs. Marie Leona Mammen, of 124 Trinity Road, passed away January 1. She had been ill for some time, and an operation failed to save her life.

She is survived by her husband , E G. Mammen and son E. G. Junior and by three brothers: one in Grass Valley and two in Los Angeles.

Burial was at Inglewood Cemetery, Inglewood, Calif.

NURSERY SCHOOL PLANNED

Mrs. T. L. Grimes of 12 Gladys Road, Brisbane, is interested in starting a nursery school here for pre-school children. Mrs. Grimes is from Fresno, where she attended high school and college, and has her California Credential for teaching. As she has had several years experience in teaching and working with young children, we feel that Brisbane is fortunate to have her working toward a much needed project. At present Mrs. Grimes is trying to find a suitable location, and also assertain how many parents are interested.

The program planned includes Rhythm, Clay Modeling, Stories and Dramatization.

The hours 9:30 A. M. to 12 Noon, and the fee will be as low as possible.

Parents may write to Mrs. T. L. Grimes at 12 Gladys Road for further information, and any suggestions as to a possible location will be greatly appreciated.

CAKE SALE A SUCCESS

The December Cake Sale given by the P. T. A. members was a bigger usccess this time than ever before. Parents came to get acquainted with the teachers and during their visit purchased generous slices of the deilcious cakes donated by Brisbane ladies. The P. T. A. wants to take this occasion to thank these ladies for their fine culinary donations.

The proceeds, approximately $35.00, every year given toward a worthy cause, were this year donated to the Spastic School in Millbrae. This school has had a real struggle to get started—beginning in a stable on the Crocker Estate and later moving to its present location. Funds are still urgently needed.

Mrs. E. R. Whitson and Mrs. J. W. Dial assist part time in the teaching, and other volunteer workers are being sought.

POT LUCK DINNER

At the beginning of the Membership Year, BRISBANE, Daly City and South San Francisco Legion Posts decided that the first Post who secured their membership would be entertained by the two losers. M., the two losers will act as co-host to a Pot Luck Dinner at the American Legion hall, Grand and Linden Avenue, South San Francisco, Calif. Following the dinner there will be dancing and fun. Don't forget the date - January 17th, at 7 P. M., South San Francisco Legion Hall.

To members bringing a dish; the meat dish has been taken care of. It will be baked Ham, so plan according, thank you,

Commercial and Job Printing — Publications

TO THE CITIZENS OF BRISBANE

By Avison F. Koch

For the past 16 months the people of Brisbane have received a monthly publication sponsored by the Chamber of Commerce, kown as the Brisbane News Bulletin. This publication was edited and publisshed by civic minded folks, in their own spare time,— folks who could set aside their own personal interests and devote their own spare time to the betterment of the community as a whole. As a result, the News Bulletin is known up and down the State of California as the only non-profit newspaper within the State.

Due to the splendid support of the local merchants and those of neighboring towns, the editing and publishing of the News Bulletin has grown out of the spare-time class into a full time business,

Therefore, we are happy to announce that this next issue will be by a Printing Company who will bring to Brisbane its own by-monthly or weekly newspaper. It is a Civic duty of all citizens to support their home town paper.

As the former editor of the Brisbane News Bulletin I wish to publicly thank all the local merchants and citizens who have so generously contributed toward the success of the paper. My sincere hope is that the continued support will be given to the new publication.

For hours of unselfish work and cooperation; my sincere thanks and good wishes are extended to my former staff: Joe Feit, associate editor; Gloria Wipprecht, advertising manager; Allan Adams, business manager.

MORE HOME TOWN NEWS —

Ella Jans of Brisbane, married last month to Larry Shaffley of San Francisco; has just opened the Hillside Cleaners at 435½ Visitacion Avenue. Mr. Shaffley has his own cleaning plant in San Francisco. The Shaffleys live at 49 El Dorado.

WOMEN'S CORNER

By GLORIA

I hear you, blithe new year,
ring out your laughter
And promise so sweet:
I see the circling months
that follow after,
Arm-linked, with waltzing
feet.

A. Woolson.

Pertinant Paragraphs:

People who lack excitement in their lives might hunt up a small child to feed.

Examine yourself whether you wish to be rich or to be happy. If you wish to be rich, you should know that it is neither a good thing nor at all in your power; but if you wish to be happy, you should know that it is both a good thing and in your power, for the one is a temporary loan of fortune, and happiness comes from the will.

Epictetus.

Household Hints:

The heavy waxed paper in which packaged dessert come (Jello, puddings, etc.) makes a very good lunch box container for pickles or olives, etc. Open the paper flat, rinse it thoroughly under warm water, pat off drops of water and put away flat. Refold paper on the same crease lines when the bag shape is wanted.

Women can drive nails—but they are easier to drive if you rub them over a cake of soap first.

When winding a hank of wool, wind it on a moth ball. Then, if the wool isn't all used or is put aside for a while, the moth ball discourages moths.

Make an oilcloth cover for your ironing board when it is not in use. The cover will protect the board from dust and it can be used for a work surface when you are brushing or cleaning garments.

New Recipes:

Chocolate Custard Devil's Food Cake

Combine ¾ cup sugar, 3 - 1 ounce squares unsweetened chocolate melted, ½ cup milk and 1 beaten egg; cook over low heat until thick. Cool until cold

½ cup shortening
2 beaten egg yolks
¼ teaspoon salt.
1 cup milk
1 cup sugar
2 cups cake flour
¼ teaspoon soda
1 teaspoon vanilla

These cold winter days bring sharp appetites, and what could be more satisfying than a pot of baked beans? ?

Boston Baked Beans

1 quart raw Navy beans, 1 onion finely chopped, 3 tablespoons sugar, 1 teaspoon salt, 1 tbsp. dry mustard, 1 cup molasses, 2 cups boiling water, 1 lb. salt pork.

Soak beans overnight. Drain and cover again with cold water Let simmer at very low heat until skins burst when you blow on them. Drain again and place in baking dish. bury the pork in the center of the beans, with rind just above the level of the beans. Mix onion, salt, mustard, molasses, sugar and boiling water. Pour this mixture over the beans. Add enough boiling water to cover beans. Cover and cook at 20 degrees for 5 or 6 hours.

Little Things

We sometimes get impatient doing simple little things, like stitching buttons, washing gloves—the trifliing tasks life brings. We think we're wasting precious time and grumble terribly because we think we're fitted for a higher destiny . . . But God did not despise the doing of the tiny things — He must have spent a lot of time on making flowers and wings —He made the mountains and the seas, the whirling worlds on high,—and yet He designed to make the ant, the bee and butterfly—the spider and the snow flake and the smallest bird that sings. So surely we with grace and care can do the little things.

Thanks to Lillian Hart of Brisbane for this original poem:

"ROSE OF DECEMBER"

Under the shade of the backyard fence
Choked by the cactus and weeds so dense
Who'd scarce believe their eyes?
That 'neath the late December skies
There blooms a rose!
Proud as a jewel on a virgin's hand
Touched with the magic of a fairy's wand
It shines like the Star of Bethlehem!
I reached for to pluck the fragile stem
Of this lone December rose.
Sure it would brighten a gilt-edged vase
But I left it there in its proper place—
With its wealth of gold from the summer sun
To remind me that another year is done.
There's a prayer for the New Year to begun
In the heart of the yellow rose!

Lillian S. Hart.

HOME TOWN FOLKS

(Continued from page 1)

Mr. and Mrs. James Vandiver have returned to their home in Brisbane after a lengthy stay in Florida. Mr. V. avers that, as long as the storm blew them into Texas, it was shorter to come to Brisbane than to return to Florida.

Mr. and Mrs. Perry Hanchey are in their new home at 450 Monterey St. With them are Mrs. Hanchey's father and mother, Mr. and Mrs. Chas. Sarrell The Sarrells like Brisbane and may make their home here.

This year the Christmas decorations were more beautiful than ever before, according to the "old timers." Almost every big view window held a tree; the out-door lighting, shared with true Christmas spirit, could be seen as far off as Bayshore Highway. To quote one of our appreciative visitors: "The entire town looked like one gigantic Christmas tree!"

Mr. George Schmania is in Letterman Hospital, his many friends will be sorry to hear. The Schmanias have recently moved into their new home at 164 Monterey.

The "Bud" Soward family of 265 Klamath Street spent New Year's week in Pasadena with Bud's folks. Also enjoyed side trips to San Diego, Tia Juana and mountains of southern California.

New Year's evening, Johhny Deal, 401 Alvarado, while driving up Visitacion Ave., struck a car, belonging to Don Harford, which was parked in front of it's owner's place of business. Don's car was severely damaged. Deal was treated at S. San Francisco Emergency for multiple cuts and bruises. The Brisbane Fire Dept. rendered first aid and transported Deal to the Emergency hospital.

Mrs. Theresa Schroeder of 349 San Bruno Avenue informs us that she is taking care of children in her home. Her rates are by the hour, day or month. Anybody interested can call JU. 5-3681.

January 4th - At the close of services this morning, Rev. Edward Bennett of the First Baptist Church, handed in his resignation as pastor. It was accepted with regrets. The Bennetts will reside in Southern California when Mr. Bennett will take graduate work. Later he intends to go to Edinburgh to finish his studies.
